

REMARKS / ARGUMENTS

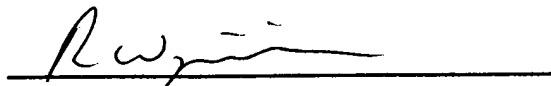

The drawings were objected to. Corrected drawings in compliance with 37 CFR 1.121(d) have been prepared and are included in the Appendix to this paper. The objection is therefore deemed to be overcome.

Claims 1-11 have been rejected under 35 USC 112, second paragraph. Antecedent basis for "the phase" has been provided by a simple amendment to claim 1. Consequently, the rejection of claims 1-11 is deemed to be overcome.

Accordingly, Applicants assert that the present application is in condition for allowance, and such action is respectfully requested. The Examiner is invited to phone the undersigned attorney to further the prosecution of the present application.

Respectfully Submitted,

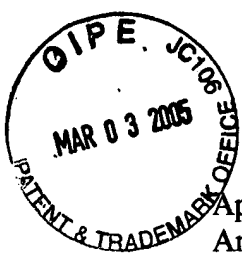

Dated: 3/1/05
